

A STUDENT PERSPECTIVE:

ON-CAMPUS PARKING

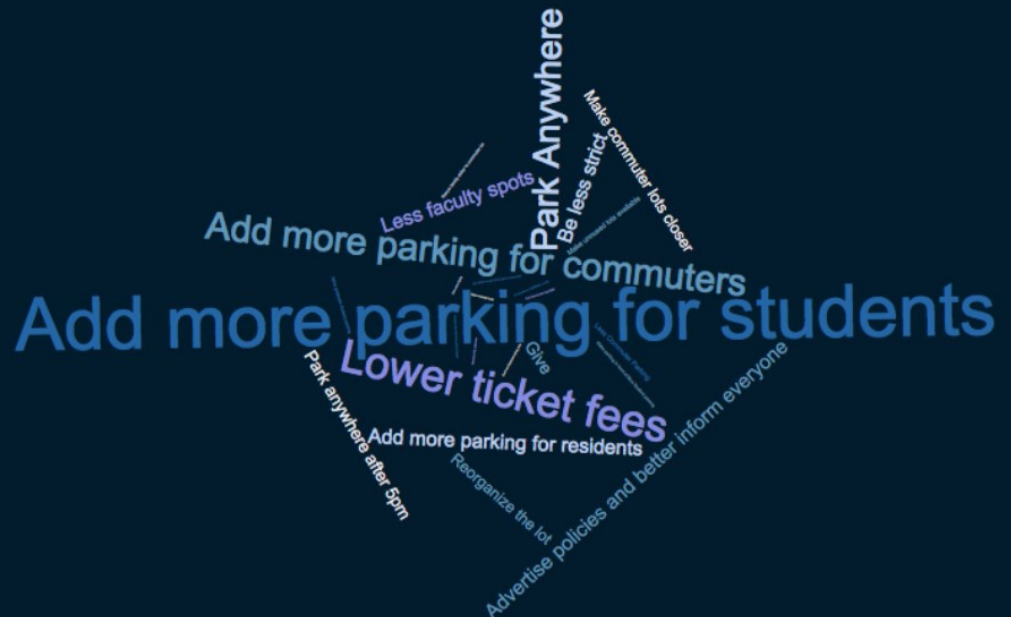

**NATALIE, ALEX, NICOLLE, ABBEY, ERICA,
NATE, JESSIE & JOSIAH**

OUTLINE

- Introduction
- Commuter Student Association
- Target
- Survey
- Results
- Recommendations

A word cloud of neighborhood names in various shades of blue and purple, tilted at an angle. The names include: Family Dollar, Apartment lots, Bracy, Beeghly, Cope, Gulling, Bica/Shields, New Townhouses, and Old Townhouses.

A word cloud of parking-related suggestions in various shades of blue and purple, tilted at an angle. The suggestions include: Park Anywhere, Add more parking for commuters, Add more parking for students, Lower ticket fees, Add more parking for residents, Reorganize the lot, Advertise policies and better inform everyone, Give, Be less strict, Make commuter lots closer, Less faculty spots, and Park anywhere after 5pm.

INTRODUCTION

What can be changed about student parking to make lots more accessible and create a better morale towards on-campus parking?

3 Questions Asked:

- What organization could use the most assistance?
- What questions do they need answered?
- How can we help?

Commuter

Student

Association

TARGET

Mount Union Students

Freshman-Senior

Have a vehicle

Live on or off campus
